ROADS TO ABSORB SWITCHING CHARGE

Interstate Commerce Commission Sustains Richmond's Fight Against Discrimination.

SHIPPERS TO SAVE \$25,000

Petition Filed by Chamber's Traffic Bureau in January, 1912, Brings Relief.

Local shippers will save approximately \$25,000 annually as a result of the Interstate Commerce Commission's decision yesterday holding an unduly discriminatory switching charge imposed by the Seaboard Air Line Railroad, the Atlantic Coast Line Railroad and the Southern Railway Company. The three railroads are ordered to abstain from the practice of discriminating against shippers and receivers of freight in Richmond in charging higher rates for switching freight cars at Richmond than at other cities, "on or before September 1, 1914, and for a period of not less than two years thereafter."

The decision of the commission was the outcome of a complaint of the Richmond Chamber of Commerce, which began in 1909, of the practice of the three railroads of charging a switching charge of one cent per car for freight not destined for a competitive point which required a transfer from one road to another in Richmond, and the decision of the commission in ordering the railroads to abstain from levying the objectionable tariffs, is regarded as a substantial victory for Richmond shippers.

PETITION FILED BY TRAFFIC BUREAU

The petition of the local shippers was prepared by E. S. Goodwin, traffic manager of the Richmond Chamber of Commerce, which set forth the grievances in full, and named as defendants the Seaboard Air Line, Atlantic Coast Line, Southern Railway, Chesapeake and Ohio, and Richmond, Fredericksburg and Potomac Railroads. The petition was filed in the Interstate Commerce Commission in January, 1912, and the chamber had no grievance against the last two roads, the Chesapeake and Ohio and the Southern being directly concerned in the framing of the new tariff, the chamber had no grievance against the last two roads, the Chesapeake and Ohio and the Southern being directly concerned in the framing of the new tariff, the chamber had no grievance against the last two roads, the Chesapeake and Ohio and the Southern being directly concerned in the framing of the new tariff.

CHARGED DISCRIMINATION

It was charged by the Chamber of Commerce that the railroads discriminated against receivers and shippers of freight in Richmond by refusing to absorb switching charges on interstate carload freight from connecting lines, while no charge was made for similar switching service at Norfolk, Memphis, Tenn., Louisville, Ky., Cincinnati, O., St. Louis, Mo., and other cities. The imposition of the extra charge upon local shippers operated to increase the cost of their goods, and to place local dealers at a marked disadvantage in competing with the dealers in other cities where the charges were not imposed.

MADE AT NORFOLK

The imposition of switching charges on interstate carload freight at Richmond, while at the same time no charge of a like character is imposed at Norfolk on similar traffic, says the commission, constitutes an undue discrimination against Richmond shippers of freight at Richmond. The commission does not sustain the complaint of the Chamber of Commerce with respect to undue discrimination in switching charges on tramp, peddle and station-order cars.

VARIOUS CUSTOMERS

The carriers pursue an entirely different policy from the Southern lines and absorb connecting-line switching on all carload traffic and on shipments than local points on their respective lines. It was the restoration or adoption of the latter policy that the chamber sought.

Trials of Flying Boat American Continue at Hammondport.

[Special to The Times-Dispatch.] Hammondport, N. Y., July 1.—After three trials of the flying boat America today, all of which demonstrated that the big-winged whale is by no means ready to be shipped to New Foundland, much less start on a trip across the Atlantic. Lieutenant John Cyril Porte left Hammondport for New York, where he expects to remain a day or so. He declared that he was going to cancel his passage on the steamer leaving for St. John on July 3 and would return about Friday, when he resumes his experimental trips down Lake Keuka in the America's cabin.

PASS TRUST LAWS BEFORE QUITTING

Senate Democrats Declare Purpose to Stay in Session Until Legislation Is Acted Upon.

FINAL NOTICE TO COUNTRY

Intended as Answer to Propaganda for Immediate Adjournment of Congress.

Washington, July 1.—Senate Democrats in conference late to-day adopted a resolution declaring their purpose to stay in session until the trust legislation, passed by the House, has been acted upon in the Senate. The resolution does not bind Senators to vote for the bills without change. The resolution is designed to serve definite and final notice to business and the country that the trust legislation is to be passed before Congress adjourns. It was proposed by Senator Stone, after a talk with President Wilson and with other Democratic leaders. Senator Stone said that it was intended as an answer to the propaganda for immediate adjournment of Congress.
